Show Policies

The 151 Card Show runs smoothly because our vendors and collectors look out for each other. Here's what to know before show day. This page is for vendors and what our rules and regulations are when running our show. Please read the information below. If you have a question, please reach out (203)-519-5040.

For Everyone

Official Info

Please check out http://www.the151cardshow.com and our Facebook/Instagram (@the151cardshow) are the only official sources for show updates, vendor info, and policies. We are not responsible for anything lost, stolen, or forgotten at the shows as well.

Ticket Pricing

General admission is $5 per person from 10AM-3PM and kids 12 and under are free!. If you're chasing a specific card or just like to beat the crowds, early bird entry is available for $10 and gets you in from 9AM-10AM. Whether you're in and out, or stick around for the whole show - either way, we're glad you're here.

Customer Buy/Sell/Trade

We've got plenty of room for customers to buy, sell, and trade — post up on the benches, in the customer hangout room, or anywhere out on the Turf. Trading with a fellow collector? Have at it! We just ask that you keep that activity away from vendor tables, so our vendors have the space to do business too!

Respect the Space

We're all here for the hobby — treat vendors, staff, and fellow collectors with respect. Anyone who can't keep it civil will be asked to leave, no refunds.

Kids at the Show

We love seeing the next generation of collectors! However, having kids at the shows underlines a potential liability. Therefore, kids 12 and under must be accompanied by an adult at all times! If a kid tries to pay admission without an adult, they will be denied at the door unfortunately.

WiFi

We keep the WiFi limited to vendors and off the customer floor so it doesn't get overloaded with 800+ people trying to log on during showtime. Since shoppers can't pull up prices on their phones at times, we're leaning on our vendors to price things fair and show customers comps - that trust is part of what makes this hobby (and our show) special. It's also why we're being a bit more selective with who we invite back moving forward: a tighter group of vendors we trust beats a packed floor. If anything ever feels off doing a deal, come find Josh (203)-519-5040, always happy to help!

Payment Method

Admission can be paid in cash or digitally at the door! We accept the following digital payment options: Treasure, Venmo, Cash-App, Zelle (No Apple Pay or Credit Card).

For Vendors

Table Limit

Each table is limited to 2 people, to keep the aisles clear and the floor comfortable for everyone. There is no loitering at tables either. Lanyards are required to wear throughout the entire show. Lanyards are not required to take home, but encouraged as a souvenir and another reason I won't reveal just yet.

The table policy scales if you order more than one table. IE: 3 tables = 6 people, 6 lanyards, 6 chairs. Everything is essentially two per 1 table.

Arrival & Check-In

Vendor arrival begins at 8AM and check-in closes at 8:50 AM. The garage door closes at 8:55 AM and we're open to the public at 9 AM sharp. Vendors who haven't checked in by then risk losing their table for the day.

Loading Out

Load-out begins at 3PM sharp, and the garage doors stay closed until then. Need to head out earlier? Just give us a heads-up ahead of time, and you'll exit through the front entrance instead of the garage.

Refunds and Cancellation

Unfortunately there are no refunds given if a vendor has to cancel. You will be able to sign up for the next show, but you will need to reapply and repay. Each vendor's table fee is allocated to be used every show -

Parking

Vendors, please park in the garage lot. We keep the main parking lot open for shoppers and guests.

Promoting Other Card Shows

Want to promote an upcoming show? Please check with us first! We kindly ask vendors that they do not display flyers or promotional items without prior permission. Unauthorized materials will be asked to be removed from your table without permission.

Trash and Cleaning up

Please ensure your table and surrounding area are completely cleared of all trash before you leave. Keeping our space clean is crucial because it maintains our strong relationship with the venue and ensures we are welcomed back. It also respects the hard work of our staff and creates a professional, inviting environment for all the collectors attending the show.

Signing Up for the Next Show

Registration for next month's show opens shortly after this one wraps. Spots are first-come, first-served, so keep an eye on our Instagram and this page for the signup link. The links will be through treasure only! Please do not use another website, or send money to an individual. Our services for payment and applying are through treasure only.
